Subject: - CIRCULATION OF ACAN (ANTI-CORRUPTION AND ANTI-NARCOTICS ASSOCIATION OF PAKISTAN) INTRODUCTION AS INFORMER AGENCY

P-13

Please refer to your office letter No. 5/8/2018-FIA dated 09-03-2018, letter No. 3/14/2014-FIA dated 22-12-2014 and our response vide this office letter No. HQC/M/L/843/2014/2800-03 dated 05-05-2015 regarding subject matter.

2. The FIA has furnished reply vide our above quoted letter. The views/comments are as under :-

- (i) FIA is Federal Investigation Agency. Its association with ACAN for holding "Khuli Kachari" in rural areas etc will prove counter productive.
- (ii) The association as disclosed is working as an informer. Each and every person complainant/informer can approach to FIA for action under the law.
- (iii) There is no room for a regular informer who has his own secret gains. It will be fatal to lawful working.
- (iv) The association can move information/complaint about crime like other persons.
- (v) The association can arrange awareness campaigns against corruption/crime and illegal activities through Seminars/Workshops.
